

## **Important News about the Susquehanna Ripples**

The Officer's and Directors of this Chapter have decided to no longer print and mail the Susquehanna Ripples. This is in part due to the rising costs associated with the printing and mailing as well as the limited income the Chapter has. As a result, this will be the last issue being mailed. Starting with the February 2016 issue, it will be available online (just as it has always been) and it will be emailed.

You do have the option to continue receiving the newsletter by mail if you wish. Below is a subscription form for you to fill out and send in. The cost is \$10 for a minimum of 8 issues but will probably be slightly higher depending on the cost of printing and current postage.

If you have unsubscribed for our email list, you will not receive any email from the Chapter. We do not send out many emails, but we do occasionally with important news or issues that may affect our Chapter and area. For those of you who unsubscribed, if you would like to be placed back on our email list, please send an email to [susquehanatu@gmail.com](mailto:susquehanatu@gmail.com) and let us know. If you are not on our list and would like to be, let us know that as well. Otherwise, we will have no way of communicating with you. This offer (email list and subscription) is open to anyone, members and non members.

At the same time, with 258 members, there is at least 81 members who have not given their email address to us or do not have an email address. If you have one, please share it with us so that we can communicate with you. Your email will not be shared with anyone and will only be for Chapter use.

Should you have any comments or questions regarding this change, please contact us. Even though the Susquehanna Ripples is going digital, we will continue to keep it the informative publication that it currently is.
